

ADA Hand Rail

TimberTech offers an ADA-compliant hand rail for any TimberTech railing system!

- PVC Tube has an extruded aluminum insert running the full length of the rail.
- Hand Rail has a 1-1/2" diameter gripping area.
- Aluminum reinforcement reduces bowing and provides enduring strength.
- Adjustable internal joiner accommodates any transition - 0° to 90° bends.
- Installs easily on-site with no special tools required.
- 25-Year TimberTech Limited Residential Warranty.
- Two available colors: White and Black.
